

Thank you Letter From **Bobby – Wedding**

Leigh Ann and Jarrett's Wedding

Dear Geraldine:

The movie stars in California have nothing on you! You have the biggest fan club here in Texas that one can only dream about!

What a wonderful wedding weekend! In spite of (and maybe because of) the weather, the weekend was one of the most memorable and joyful times ever! Your talent, generosity, humor, love of life and love of people just made everything perfect!

Leigh Ann and Jarrett are a very lucky couple to have had you in their corner and as parents, Linda and Jim, Pittman and I couldn't be more grateful and thrilled about all you did! We have received so many calls and letters from friends and family that were just blown away by what a great wedding it was!

AND your staff-from the Friday night monsoon onto the wedding day-they were the best!

I think I'm running out of adjectives, so with love and thanks I'll sign off until I can get out to California to visit with you at Lula's for a killer margarita and then down to Finn McCool's for dessert!

Bobby
