

Thank you Letter From **Melanie and Jim Jones**

Dear Geraldine:

Jim and I wanted to write and thank you for making our wedding day the most memorable day of our lives!

From the moment we first met you, we knew you were a visionary and felt extremely comfortable sharing our ideas and dreams for our big day. I told you from the very beginning that I wanted so badly to be a "low maintenance bride" and you helped me achieve that goal (at least from my perspective)!

We were so impressed with the methodical way you plan and move the bride and groom through the process without pressure or panic. We never felt pushed into a decision, but always felt supported in the decisions we made. We never felt bad about a single thing, money, guest count, vendor selection, menu choices etc. You supported EVERY request/choice we made.

The grounds and the view from Rancho Chiquita are stunning. Some of our guests commented that they had never attended a wedding of such taste and beauty. The people you employ are simply delightful and could not be more kind. Your magic in the kitchen is unparalleled, the dinner served at our wedding tasted and looked magnificent!

For a couple working full time this is wedding planning made easy...EXTREMELY easy. We felt blessed and lucky to have discovered Geraldine Gilliland and Rancho Chiquita. We came to you and your facilities with no previous recommendation and virtually no knowledge of your brilliance. Boy de we have good instincts (and luck)!

You created an enchanting, dream filled threshold through which Jim and I entered and began the rest of our lives as a happy couple! We will not forget it anytime soon!

All Our Best!

Sincerely,

Jim and Melanie Jones
