

Thank you Letter From **Michal Mitchell**

Geraldine Gilliland's Catering is unparalleled because of her expertise of twenty plus years in the food industry and twenty plus years as a restaurant owner (currently two). Geraldine recently catered my daughter's wedding. It was fabulous and then some! She was involved from the very beginning – from the rental company to the ice man to special chefs and a tortilla maker. We celebrated with Mariachis and a full blown fiesta menu. Chicken in Mole Negro, Carnitas, Grilled Giant Mexican Shrimp in garlic & Lime, Crab Tostadas, Black Bean Tlacoyos, Stuffed Jalapeños with Tomatillo Chipotle Sauce, Handmade Tortillas, Black Beans, three kinds of rice & six different salsas – that's just a sampling of the whole menu! Plus, this woman knows how to make a margarita – ask for a "Lula"! I'd do it all over again in a minute but first I'd call Geraldine.
